

MAVCO SERVICES LTD

MISSION STATEMENT

MISSION STATEMENT

Mavco Security Service's mission is more of a promise to our clients that we will deliver an all-inclusive security package tailor made and mouldered to suit your company. Our expert team will consider each unique aspect and specific needs of your organisation giving you the confidence that your staff, clients and assets are looked after while working hand in hand with promoting your business under the image that you expect.

We at Mavco understand that security is no longer a stand-alone industry but must adapt to the specific needs of our clients. Our staff are not only fully qualified in their specific security field they are also trained in areas like hospitality, counter terrorism and customer care. Your whole business is our concern.

Our Vision and Values:

Our core value at Mavco Security Services is a belief that Investing in our staff development as this will filter down to the exceptional quality of service that you will receive. Values start at home!

Through extensive training and development we are able to deliver licensed, experienced and highly professional security starting at Stewarding, Door Supervision, Front of House, Concierge, Close Protection, K9, CCTV and 24-hour Control Room Teams. Being able to provide a service for your organisation from beginning to end allows us to deliver continuity and excellence.
